Pat Schories

Pat has illustrated many books for children, including the beloved BISCUIT books written by Alyssa Capucilli. At this FREE program, she will talk about how a book illustrator works, and will bring sketches and finished art; there will be a slide presentation with several complete stories for all to see.

Pat will also talk about some of the other books she has both written and illustrated, including her newest, PIE FOR CHUCK.

The presentation is best suited for ages 4 – 7, but all are welcome!
